

THE BEST IN THE WEST

Express Your THANKS to a TEACHER, EDUCATOR, or School Staff Member!

Are you looking for a way to express your personal thanks to a significant teacher that has greatly impacted the life of your child or family? Then tell'em they're the BEST in the WEST!

The Ladera Ranch Education Foundation "Best in the West" program provides a bang up opportunity to show your appreciation for your child's teacher! Today, more than ever, teachers play an important role in the lives of children and parents. The Ladera Ranch Education Foundation is an all-volunteer, not-for-profit organization whose mission is to raise funds to enrich and improve the quality of the educational environment for the public school children of Ladera Ranch.

All parents have the ability to join in the round-up! Our "Best in the West" program says "Thank You" to that special teacher or school staff member and lets them know that not only do you value and appreciate your child's education but that you also value and appreciate them.

Just rustle up a pen and complete the form below along with your tax-deductible donation payable to Ladera Ranch Education Foundation (LREF). A card expressing your family's thanks will be forwarded from the Range Boss to the teacher, staff member or coach who has made an impact in your student's life. (We'll keep the amount you contribute quiet.) All "Best in the West" contributions are rustled into LREF's Teacher grant general fund. Teacher Grants are awarded once a year to teachers who submit grant requests for programs, materials, or equipment to benefit their classroom, grade level, or school facility.

Note: All contributions must be received by LREF no later than March 30th of each year to be included in that school year's grants. Contributions received after March 30th will be placed into the grant fund for distribution the following year.
