

Peter Pan is one of the most famously recognized and produced musicals in the world. Ladera Ranch students now have the opportunity to participate in this acclaimed production in their very own backyard. Co-sponsored by Acting Academy for Kids (a premier performing arts program; www.actingacademyforkids.com) and the Ladera Ranch Education Foundation, students will have the opportunity to audition and be cast in a large-scale school musical. Rehearsals will be held in the Ladera Ranch Elementary School MPR and the final performance week will be held at the Wood Canyon Elementary School Performing Arts Center in Aliso Viejo. Professional lights, sets, sound, costumes and music will accompany the students as they perform in this action/adventure tale about pirates, Indians, lost boys, fairies and "the boy who would never grow up".
